ABOUT THIS STATEMENT

Murphy Power Distribution Limited (MPD) is an authorised Electricity Distribution Licence Holder (“the Licence”) granted pursuant to section 6(1)(c) of the Electricity Act 1989.

This statement is produced in accordance with Standard Licence Condition 17 of (MPD) Licence for the requirement to offer terms for the provision of Metering Point Administration Services (MPAS). This statement is constructed in a way which reflects the requirements of Standard Licence Condition 18 for provision of and charges for Metering Point Administration Services.

Unless stated otherwise, words and expressions in this statement shall have the meaning given to them in the Electricity Act and the Licence.

All prices included within this document are exclusive of Value Added Tax (VAT)

1.0 INTRODUCTION

ENTITLEMENTS

- 1.1. MPAS services as defined in Distribution Licence Condition 18 include the maintenance of a register of technical and other data that is necessary to facilitate the supply of electricity by any electricity supplier to premises connected to our electricity distribution system. MPD will provide this data to Suppliers and/or their agents, any person identified in the Balancing and Settlement Code and any person identified in the Master Registration Agreement as being entitled to receive such data.

The applicant will be required to be a signatory to the Master Registration Agreement (MRA) for the provision of registration services.

In accordance with our Standard Licence Condition 37 - Provision of the Data Transfer Service, MPAS are provided under the MRA. Users should contact MRA Service Company (MRASCo) if they wish to become a party to this agreement. MRASCo has been established to manage a parties' accession to the MRA.

Parties wishing to use these services should contact MRASCo directly:

2.0 APPLYING FOR METERING POINT ADMINISTRATION SERVICES

- 2.1. An application for MPD MPAS services must be made in the first instance by email, telephone or in writing to the following address:

MPAS Enquiries
Murphy Power Distribution Limited
Hawks Green Lane
Cannock
Staffordshire
WS11 7LH

Tel: 0800 011 4193

Email: powerdistribution@murphygroup.co.uk

- 2.2. We will require the applicant to enter into an agreement with MPD for the use of our MPAS service. The agreement will formalise the obligations between both parties, such as communication of information, levels of service and invoicing arrangements.

Where an agreement cannot be reached, either party may request settlement by the Gas and Electricity Markets Authority (GEMA)

3.0 MPAS CHARGES

3.1. MPAS charges recover the costs associated with information technology and the resources required to provide this service and are recovered in our Use of System Charges (as advised within our Licence Condition 14 Statement). Additional MPAS activities, not stated, in the charges for MPAS (see table below), are to be charged on a transactional basis, at the request of the electricity Supplier, in accordance with Schedule 8 of the MRA.
